

LCDC SWIM OFFICAL ACCOUNT REGISTRATION GUIDE

IS THIS THE BEST GUIDE FOR ME?

This guide was designed to help all Y volunteer swim officials to register for a YMCA account in order to use the new Learning and Career Development Center (LCDC). Even if you don't fit this description, you may still find this guide useful for setting up a YMCA Account.

WHAT IS A YMCA ACCOUNT?

A YMCA Account on <u>yexchange.org</u> gives you real-time access to the Learning & Career Development Center, your transcript, and links to other Y tools.

A YMCA Account is designed to give you the access you need in order to register for training classes and to upload licenses (like CPR and others) directly into the Y's Learning and Career Development Center.
