

Annual SWOYSL League Fall Meeting

9/28/2022 at 6pm, Doubletree Suites, 300 Prestige Pl, Miamisburg, OH 45342

AGENDA

1. Call to Order

Mike

PCY, Champaign, SIDY, CY, BASH, RC Durr, SPY, ABLY, LAKY, AMFY, HHY, PBCY, CFY, KEY, UCY (20 attendees + Executive Committee)

2. Treasurer's Report

Pam

Copy of report provided to all. Started down last year and came back up. ABLY is still outstanding. Team registration is coming up for each team and Pam is motioning to waive the annual league team fee per team to waive. Eric W (KEY) seconded motion. (Each team votes 1 Staff/FTE and 1 layperson.) Vote: All voted to waive and motion carries.

3. SC Champs 2023, GLZ Meet, Y Nats

Jon/Mike

Jon: summary of own meets – teams set up their own meets. League runs A champs and AA champs. After AA champs, the next meets (not hosted by league) are GLZ and Y Nats.

A meet: Runs at 3 sites (North, Central, South for prelims and then teams from Central have divided in the past for finals to go to north or south. This year, the league is proposing to have the 3 sites to host their own finals at the same location.

- Proposal is 3 sites again for finals for 11 & O. 10 & U are timed finals. Relays are timed finals. Having 3 sites will allow results to process faster than in the past so athletes know who is qualified for finals. Awards are based on the sites as well. Meet packets will be site specific depending on the # of lanes. # of heats per site will be dependent upon on the site. There will most likely be an A and B final. The number of heats will be announced in each sites' meet packet.
- Question about finals heats: Will there be 2 heats, will there be top 16 across the board or will the south site include top 20 because PCY has 10 lanes vs CY and Trotwood having 8 lanes. Can you add language in the meet packet that says the # of finals swimmers will depend on the number of entries (e.g. 400 IMs may have less than the total # of lanes.)
- Motion: Matt R formatted. Deanna seconded. Vote: All voted to have 3 finals sites and motion carries.

AA Champs: The league runs AA Champs and each team is asked to help out with providing some of the volunteer positions/tasks. Stipend is provided to the team that does help out/volunteer.

GLZ: The host team has lost coaches, swimmers, etc. and the host team has asked the SWOYSL to help pull the Zone committee back together (Contacted Bill W and he's still helping). Dave Stannert with Ft. Meigs may be new GLZ chair. Mike L has asked to see the contract from the current host team to review what's been agreed upon to date with SPIRE Institute. The GLZ committee as it exists today is scheduled to get together Thursday next week to review next steps. SWOYSL will communicate out the findings after next week.

Annual SWOYSL League Fall Meeting

9/28/2022 at 6pm, Doubletree Suites, 300 Prestige Pl, Miamisburg, OH 45342

Y Nats: 100-year anniversary and there are some special events at the meet are in the works to commemorate this milestone. The meet format should be the same but there is talk about the Monday events to be earlier in the day to allow for an evening celebration so athletes and coaches, etc. can attend. Kody Detter from LAKY is also on the planning committee.

4. Officials Training

Jon

USA training is acceptable. If you have new parents who are interested in officiating, please have them email Jon Saxton. Class on 10/11 for Level 1 and then Level 2 as well. This training is for both new officials as well as those who need recertification. Other clinics are set up by Zoom for 10/6 – those who are Level 2. AO training is at CY as well. All known dates are currently on the league website and the class registration forms are listed on the league website.

No rule changes for the 2022-2023 season. Jon's role is as the local coordinator to communicate between league and Y Nats. Jon also communicates as needed to officials in the SWOYSL.

5. Time Standards for 2023 Champs

Eric W.

Exec Committee decided to hold on releasing time standards until after the GLZ committee gets together and determines what the GLZ standards are. Historically, the SWOYSL has been under the GLZ cuts. 11/1 is date to publish this year's SWOYSL Champs cuts. They'll be posted on the league website and will be emailed out.

6. Ohio Swimposium

Mike

This is back for the first time since COVID. This is an ASCA event and it's 10/7-10/9 at Ohio State. It's on the ASCA website that includes dryland

7. Other Leagues/Teams (KY, OH)

Mike

YMCA of Louisville has asked SWOYSL to consider including them as a member of the SWOYSL because they're seeking another league to join since they're rather larger than other teams in their current league. Mike has talked with them to figure out their own situation in KY and not have the SWOYSL grant it this year. They're still able to compete in their own KY Champs. It would add about 90 swimmers to AA Champs and, if we allowed it, SWOYSL would most likely need to adjust our own champs to be able to accommodate the #s they're estimating. Again, Mike asked them to figure things out this year and then maybe we can consider them for the following season.

8. Recognition of Seniors 2023

Miriam/Eric T

Nikki Turner will be point of contact again this year to collect all teams' senior information. 2/2/23 is deadline. Nikki asks each team to have one contact to collect all seniors details so each person is recognized at AA Champs.

9. Website Updates/Registration

Miriam/Mickey

Please register on the league website if you're new to the league starting no earlier than 9/29/22. If you're title has changed, please update your contact information. If you're still in the same position, and no updates are needed, then you're okay but please
